REMOVING TRANSPORTATION BARRIERS IN TULSA

MODUS ENVISIONS A COMMUNITY IN WHICH THE BARRIER OF
TRANSPORTATION IS REMOVED AND ALL YOUTH CAN ACCESS THE
SERVICES NECESSARY TO REACH THEIR FULL POTENTIAL.

MODUS // TRANSPORTATION SERVICES

Modus ensures young people get to their appointments consistently, on time, and safely by utilizing trained volunteer and staff drivers to transport clients to services.

MODUSED // TRANSIT TRAINING

ModusEd gives young people the knowledge they need to use Tulsa's existing transit options to get to school, part-time jobs and higher education opportunities. ModusEd will train all 8,721 high school students enrolled at Tulsa Public Schools during the 2019-2020 academic year.

TOP REASONS TO VOLUNTEER WITH MODUS

Of the 40,000 young people in Tulsa, 15% of them cannot access the healthcare and social services they need to succeed due to inadequate transportation options. **This means that our youth are suffering from decreased mental and physical health, poorer educational outcomes, and lower employment rates.**

Small Commitment

One ride typically only takes 15-30 minutes and there's no minimum ride commitment. All rides are split, so if you can give one leg of a trip, another volunteer can take the client home after their appointment.

Make a Difference

Volunteering with Modus is a simple way to make a BIG difference in your community. One ride a week may not seem like much, but it makes a big difference for someone who lacks safe and reliable transportation.

Develop Connection

Volunteers develop meaningful connections with the youth they drive. Share successes with the young people you drive as they improve themselves and reach their goals.

YOU Choose When You Drive

Volunteer drivers choose when and where they drive. With rides taking place anytime between 8am-8pm, Monday-Friday, you get to choose which rides fit your busy schedule.

Help Local Youth Succeed

Our youth clients are much like the kids you probably know. They want to do good things in life, and just need a little help along the way. Modus drivers provide a valuable service to those who are working hard to become successful.

Explore the City

Modus serves clients all over Tulsa, giving our drivers the opportunity to develop a more complete understanding of the city and the people living in it.

Rides by Service Type

In Tulsa, 15% of high school students reported at least one time that they needed to go to the doctor, but didn't have a ride.

In the United States, **3.6 million** individuals do not access medical care because they experience transportation barriers, and 4 percent of all children miss a medical appointment because of transportation issues.
