NOTE FROM THE EXECUTIVE DIRECTOR

As we move out of the COVID-19 pandemic, many of our volunteer drivers are beginning to give rides again. In the first quarter, we’ve been excited to see many of our volunteers return, as well as an increase in new volunteer applications. If you know someone looking for a flexible way to give back, please spread the word about Modus!

Thanks to a generous donation from an anonymous donor, Modus was able to purchase a second fleet vehicle. With the addition of the second car, Modus staff members are able to provide more rides to more clients and serve more partner agencies.

- Leslie Neal, Executive Director

NEW VEHICLE

VOLUNTEER UPDATE

As we move out of the COVID-19 pandemic, many of our volunteer drivers are beginning to give rides again. In the first quarter, we’ve been excited to see many of our volunteers return, as well as an increase in new volunteer applications. If you know someone looking for a flexible way to give back, please spread the word about Modus!

MEET MICHAEL!

"Modus is a very worthwhile cause."

Michael has been a volunteer driver with Modus since December of 2018. Michael came to Modus as a newly-retired Mechanical Engineer looking for ways to give back to his community and keep busy. He was interested in volunteering with Modus because he thought the work being done was worthwhile, and wanted to help someone set the best foundation for their life. In his tenure with Modus, Michael has provided over 40 rides to more than 20 clients.

In addition to his work with Modus, Michael also volunteers with the Tulsa Air and Space Museum, which allows him an opportunity to share his interest in aviation with others. Michael also enjoys bike riding, taking walks, listening to music, and traveling with his wife.

The clients Michael has driven love hearing about his travels and think he is a wonderful listener. Everyone at Modus has loved the opportunity to work with Michael and appreciates all the help he provides.

If you’re interested in becoming a volunteer driver like Michael, visit modustulsa.org/volunteer.

Michael’s Stats:

- 24 Clients Served
- 41 Rides Given

"Volunteering with Modus has been a great experience"
- Michael
